PowerStream Mobility System

The Trident ULTRA & HYDRO are both equipped with the PowerStream mobility system, a patented multi-directional water flow control system.

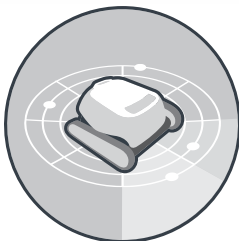

PowerStream mobility provides enhanced navigation & efficient cleaning of pool surfaces either on the floor, walls or waterline by ensuring constant grip particularly on vertical surfaces.

Harness *the intelligent* power of the Trident.

Water Saving

Reducing filtration debris eases filter maintenance, cleaning, and pool water refill.

Energy Saving

Uses a fraction of the energy consumed by other pool cleaning systems.

Chemical Use reduction

Enhanced water circulation plus less water use equals reduced chemicals.
